12th April

Crow Wood 2 (10) V Haslingden 2 (18)

First up Shelly v Mick Smith. Shelly was Cool calculating and precise. Mainly in control all though Mick didn't lie down and play dead completely. 3-0 to Shelly one in the bag.
2nd up Dave O' v Terry excellent match close as you like Terry was up in the fifth by about 12 v 7 Dave looking like losing this one when he just had a run of winners 15 v 12 to Dave and a 3-2 win get in there. **Dave's smiles at the end said it all.**

3rd up the silver fox Dave Scurlock not his favourite courts in the land. But determined against a very able opponent Joe McNamee he came out the winner on a five setter. Just what the doctor ordered.

Job done 3-0 up so far, a walk in the park from now on.

So it's my turn (Mick H) Against my Neighbours son Craig Holt who hasn't beaten me so far. That's about to change another 5 setters but on this occasion like most of my 5 setters I lost. Apologies to all but I tried. Lost 2-3 Last up Mick Wright v Carl campy. Nip and tuck. Tuck and nip. 2 all in games shake hands. That looked like all Carl could manage. He found something and managed to win the fifth game against our own Mick. What a match but no cigar for a valiant Mick losing 2-3.

Never mind chilli 🌶️ and rice 🍚 was just what was needed and good banter.

Gents

Here is the BRUCIE REPORT report
H3= 7 V DLC 3 = 16 (or 2-3 if you prefer)

So after a bit of bant's on Whats app this afty , Baynes'e was after a theme, I decided to call him 'James Hunt' and not bother that way. It was leading to a driving theme, I guess you had to be there

Anyway we were Team Simon tonight, watched by another Simon, strange in the Valleys , In Wales its Ivor, Jones and Evans. Rossendale is Simon, Must be the lack of sunshine

What do you call collective of Simon's ?, turns out it's a 'chagrin'

Simon W 1= 3-0

Boom, not seen our red shoed mate play for a while, he's got quicker and quicker. Probably the most impressive climb up the charts, since Kylie in them gold hot pants. He had his man spinning around alright, he was so fast against a touch player who decided running is for the birds. Simon showed him a clean pair of heels and was off into the night, probably running to his final destination

Fizzy Fozzy Foster 5= 0-3

Here come the 4th team to help you boys out, led by Captain Britain the gardening superhero and total man manager supreme of the rubbing rags

Si was so keen to do well he played like Charlie Dimmock in wellies, heart of a lion, but so wound up, unable to get his spade in the ground, needs a special code word, or a herbal tea to let him relax and express himself. It will come maybe a summer on the compost heap to reflect

Unlucky Cap, I want to say right here what a fab job he has done this year, credit where credit is due, and he's already sowing the seeds for next year to do it all again, what a Titmarsh

Bonus 4 =1-3

No Brucie tonight, but it was nice to see you to see you nice. I tried my do dahs off tonight, I am playing better for sure, but it's a bit like when you start driving a car, you spend all the time looking at the controls and driving into hedge. I spent the rest of the evening picking privet out my teeth, grrr , it will come, and when it does Paul Shore is going to be burnt at the stake

Hi Paul I have a doll and lots of pins

Jason 3 = 3-2

I do a bit of marking on a Tuesday, so I usually get the Jason gig. Poor Steve Michie nearly barfed on Tuesday when he marked Jason. To be fair Jason is a competitor, and is also improving, his movement surprises a few more than it used too and he's growing in a formidable opponent. Personally I love the bloke to bits. When him and Si Baynes get together it's like a double act
When he's on court, it's like the Crankies

Another grindathon game that saw it swing to and fro and Jason pipped his man, who was livid. Jase wrestled him to the ground and applied the choke hold, shhhhhh, shhhhhh

Si B 1= 0-3

Si, what can I say, other than sorry. I went for a shower as you game started, came back you were 0-2 down. There was a buzz at Pickup Stadia as Gordo stepped onto the show court to play one of them cocky Karpyn's. (me no likey) My head was turned and I decided to watch that for a bit, next thing a big sweaty bloke was in my face saying where the f..ing hell were you ?

Turns out everyone had the same idea as me Really sorry again mate, but on the plus side them Karpyn's are quite handy aren't they

Someone said you got banjo'd 3-0

Like to say us 4th team boys enjoyed our day release and may well be seeing H3 next season, who knows what will happen

Regards to Captain Dezza, who had the squirts in laid up in bed (hate to see those bed sheets), and commend him on a fine season of man management also.

Play summer squash, and see you all on the other side for 2018/19 season
