## **Out of the ashes rises the Phoenix -**

**All in all another fantastic night for the Hasi Massive tonight with 3 magnificent wins for Hasi 2,3,4 - what a difference a year makes, and this year we had 2 juniors playing in div 4 and 5 respectively whose combined age of 28 is less than every other team member - the futures bright, the Futures Hasi -**

☺ - **We now need to support the first team and help them out as those boys took a hell of a beating tonight in Div. 3 but will bounce back.**

### **Hasi 1 Away at Total Fitness Whitefield**

Match score 5-0 or 20-0 ☺ Bit of a Reality check from last week

Whitefield looking to bounce back after losing to bury 1-

First up Simon Latham against Mark lost 3-0

Simon against a quality player - couldn't quite get going and the game got away from him.  
**Down 3-0**

### **Next up Tom vs Luke at 1-lost 3-0**

Luke having to leave early to leave to go on holiday-didn't see much of this- Luke looking to make light work of this to get away-scores seem tight.

Unfortunately, Tom moving gingerly in the third- picking up an injury-hopefully just a flesh wound and fit for next week.

### **Next up Me ( Tan vs mac- lost 3-0**

Too many tins, too many errors- trying too hard to get match W.

### **Gordon vs Andy**

Andy clinical today- taking no chances and a clinical performance-Gordon couldn't quite

turn it into his type of match.

### **Lastly Tim vs Nick**

Tim to pick up a consolation point for the team??

Nick had other ideas- frustrating to see how good nick is- Tim played well- nick played better- unlucky bud

Welcome to div 3 - truly a panning today and several of us vying for the match w- the only thing that was a close run tonight.

### **H2 v Crowe Wood 2 21 - (2)**

I knew tonight was going to be great night - caveman Danny picked me ( Mr Nuttall ) and Mr H up in the love wagon, I loaded the beers in the back and off we set ....

### **Fin v Andy 11-4,11-6,11-4**

Great display of what we have all got to experience yet - Fin not stopping running !! (I got it last Tuesday) too fast, too much retrieving- Andy really didn't know what to do - going for more & more winners but finding the tin. Well played Finlay great debut and welcome to Hasi 2 Marines.

### **Chris v Ian**

15-13,11-5, 8-11,11-8

After last week's walk over I was determined to have a bit of time on court or so I said to our beloved leader. Mr H was marking so it was always going to be hard to get a decision !! First game down to the wire - ginger leader already reaching for the Valium - never in doubt I thought 15-13 !!! I thought we only played to 11 - lol bit more consistent in the remaining games - no answer from Ian - match win on the board for H2.

### **Simon W v Regan**

Straight in from prep school our resident junior Mr W turned up with a mission in hand - avoid match W !! Two matches already won - can our little man bring home the bacon (or Quorn if you are veggie) blooming blinder- battered poor Regan into submission - Well done Simon Jnr

### **Ben v Carl**

11-5, 6-11,11-6, 11-9

Ben late to get here - early to go Nelson rocked up as usual on point. First game quite matter of fact - what he didn't allow for was all 6'3 of Carl's reach. Game 2 was a complete opposite of game 1 !! Few words from our very own Dumbledore (aka Mr Scurlock) and what do you know we have a winner & early bed beno !

### **Simon H v Gavin 11-4, 11-6,11-4**

Mr H arrive arrived on court like a man on a promise ! ( yes I had brought a few Coronas for the winners enclosure!) pushed on from the onlookers at the Pickup Stadia - Simon made short work of a difficult Opponent - some excellent shot selections resulted in Mr Scurlock shouting encouragement from above reminding of the importance of a good length.

Anyway 3-0 - bish bosh - what do you know our little H2 Marines have their second 5-0 match win - get in

### **Crow wood v hassy 3**

Not much to report as this was over in 90 mins.

### **First up Rob v Bruce**

Won't say much here apart from Bruce was very charitable in allowing a chap who hasn't swung a bat in 12 months to win.

3-2

### **Glynn v Aaron**

Straight forward slam bang I'm going for a pint.

0-3

### **Geoff v Me 😊 9(Si foster)**

Pretty much the same as Aaron no messing tonight.

I like it in 5 you get to win 😊

0-3

### **Mark v Simon B**

Another straight forward run out although I think si could start an argument in an empty house especially with his 1000 yard stare 😊

1-3

### **Paul v Chris.**

Probably the best spectacle of the night.

Both playing good squash, but our very own energiser bunny ran him into the ground

0-3

Great start to the season.¡👍😊

### **Hasi 4 vs Total Fitness Whitefield**

#### **Won 4-1, 18 points to 4**

An early start for Hasi 4, something that will be the norm going forward. Court 2 is ours from 6:30 pm so we will be pushing to get our first game underway by 6:45.

Total Fitness Whitefield played ball and had their #5 arrive at 6:30 so we were off and running.

Christian was making his team debut for TFW so naturally we put our most experienced player up against him. Step forward Aiden, who played like a seasoned pro and never let his opponent into the match. 2-0 up and Chris managed to run into the wall and stab his shin with his own racquet. The screams were quite worrying but he insisted he was fine and then let out another scream. Bit disconcerting, had Aiden quite worried, but he was blameless. Aiden cruised to a 3-0 win.

Derek played the odd character that is Craig. Last time Mick R did serious damage to Craig's left hand. Tonight Derek didn't need to resort to such tactics as Craig played as if he had never been on a court before. The list of excuses was long and varied - didn't like the racquet, hadn't played for 3 months, suffering from a double hernia, Derek shouldn't be #2, blah blah blah.....

**A comfortable 3-0 win.**

**Danny cruised to a 3-0 win**, even being seen to play several quite respectable drop shots on the way.

**Mick Reilly** played well within himself and seemed to be enjoying himself too much. Won 3-1, but should have been 3-0.

Finally, with the match won John K went on . John seemed off the pace tonight and against a runner and trier like Kevin his lobs and drops were chased down continuously. Needed a bit more ooomph. Lost 0-3 but the games were close. He'll be back!

So, a good win to continue a good start to the season.

( Bruce would have been proud of me tonight, I warned players I would be looking for foot faults and so nobody did .....at least not while I was marking ( Mick ????? ) )
